community with  
Summer Photos, News,  
and E-mail at

[www.colvigsilvercamps.com](http://www.colvigsilvercamps.com)

At Colvig Silver Camps, we are dedicated to your family's experience. For the most part, this involves the pleasure and privilege of working and playing with your children during the summer. However, we are always looking for ways to improve our communication with you, our parents, to help you enjoy the magic of our summer. And so, together with a company called *eCamp*, we provide parents a one-way window into the CSC summer through the CSC Insight section of our website.

At CSC Insight:

- ~ See daily digital pictures of camp events!
- ~ Organize and order pictures!
- ~ Read weekly updates from camp!
- ~ Send email to your campers!

*"We loved it; it was wonderful and helped our separation anxiety!!*

*Highlight of our day! GIVE US MORE!"*

*"We really enjoyed the web page and viewed it frequently.  
The e-mails saved so much time and allowed on-time letters."*

Through the use of our CSC Camp Code, we maintain constant control of who is using CSC Insight; on their end, *eCamp* carefully follows federal regulations for website security.

### CSC Insight

This summer's online fun will begin May 1<sup>st</sup> when we'll begin to post spring news and pictures. Registration grants you full access to this section of our site for one year from May 1, 2009. Your username and password will thereafter continue to allow you access to pictures and news from that year of enrollment and previous years. Enrollment and a new camp code will be required for access to subsequent years. We recommend that you register early to be ready once your campers arrive. **You can register with this year's password anytime from now through January of 2010.**

### To Access and register for CSC Insight 2009:

Go to our website ([www.colvigsilvercamps.com](http://www.colvigsilvercamps.com)) and click on CSC Insight—Summer Photos.

#### If You Are A Returning User...

- Click the "Update Account for '09" button
- Enter your email and password from 2008 and click Submit. *Please note: Choosing to continue your account without re-registering will only allow you to see pictures from last summer.*
- Enter and Submit the 2009 CSC Camp Code: **treehouse09**
- Check and edit parent and camper information for 2009
- Select & purchase a Camp Memories and Communications package if you wish to send emails or purchase prints this summer. The photo viewing service alone is free.
- You can now use your personal password to log-in at the CSC Insight log-in page

#### If You Are A New User...

- Click the "Create an Account" button
- Enter the 2009 CSC Camp Code: **treehouse09**
- Enter your email, choose a password, and enter contact info
- Read and agree to terms of service
- Enter emails of those you would like to invite to use this service
- Select & purchase a Camp Memories and Communications package if you wish to send emails or purchase prints this summer. The photo viewing service alone is free.
- Print the registration confirmation page for your records
- You can now use your personal password to log-in at the CSC Insight log-in page

You're at CSC Insight! You (as well as any friends and relatives that you invite) can now access this summer's pictures, articles, and one-way email from any Internet access point in the world! Summer pictures will be archived in their respective folders in the fall and you'll be able to access the photos and news articles until Jan. 2010. **Here's what you can see!**

### CSC Photos

Each day of the summer season, CSC staff will take pictures of camp activities and post them on CSC Insight. You will have your own one-way window through which you can see the fun and adventure of camp. Please note that your campers may not appear in the pictures every day, or even every week. We have many campers spread out over camp, and they will often be out of camp. We'll make every attempt to post at least a few pictures of every camper this summer. We'll update pictures daily, so keep checking. We hope that you will look at the pictures not just to see your child but also to see what is happening at camp. We'll help you find campers by labeling pictures specific to one camp with the following titles. Unlabeled pictures could be any combination of camps:

**Homestead Saddle Spruce Outpost Pathfinding**

You can also save your favorite photos to personal albums, purchase hi-resolution prints, download low-resolution photos to print, and email friends and relatives copies of these photos directly from CSC Insight.

### CSC News

We will publish weekly news articles reflecting the fun and excitement of the CSC experience. You'll see letters from the coordinators, excerpts from trip reports, stories about special days, and other fun information from your camper's summer community.

### CSCmail

Our "CSCmail" program offers CSC parents and those friends and family that you invite through your account an easy way to communicate with your campers. You will be able to send one-way email to them during their session at camp from our website or from your private email. We will print and deliver the "CSCmail" each day with the regular mail. Campers won't be able to respond by email but will be writing you at least one letter a week that we will email for them. Please do not send email to your camper via the general camp email address.

### Year-round!

We continue to be excited about the opportunities for our year-round online community that this partnership with *eCamp* allows. Families and staff will be able to view pictures from the previous summer and keep up on off-season camp news. Campers register the same way parents do, indicating that "I Am A...Camper" at the Log-on page. Happy surfing!!
