20. Each year we travel around the country, presenting the CSC slide show at camp family homes. We invite prospective families, current campers, and alumni in the area and hope that you invite your friends and family as well. For new people it is a personal introduction to the CSC program. For you it is a CSC family reunion with pictures of everyone from last year making friends, smiling, challenging yourselves, and having fun. Check with your parents to see if your family might be interested in hosting a promotional slide show between January and March. _____ Yes _____ No
