12. Each year we travel around the country, presenting the CSC slide show at camp family homes. We invite prospective families, current campers, and alumni in the area and hope that you invite your friends and family as well. For some it is a personal introduction to the CSC program, for others it is a reunion of CSC campers, parents, staff and us! Typically all campers from the previous summer are "on screen" at least once - making friends, smiling, challenging themselves, and having fun. Would your family be interested in talking to us about hosting a promotional slide show between January and March 2009 and what factors do you consider regarding this decision?

_____ Yes _____ No _____

13. It is primarily through your support and recommendation that new families choose our unique wilderness camping experience. In fact, 80% of our enrollments come from camp family referrals. If you would like to share our camp experience with friends and family, please write down names, ages, addresses, and phone numbers of those who might be interested in receiving our literature. Thank you for spreading the magic!
