

Scholarship Recommendation

_____ is applying for financial aid for enrollment at Colvig Silver camps and has given your name as a reference. Our two or four-week wilderness adventure camp program consists of equal parts out-camp and in-camp activities, requiring physical and social ability as well as a commitment to physical and social development. Throughout each term, campers participate in 3 to 5 day trips in the Four Corners Region. Trips may include horseback riding, river rafting, and mountain hiking to name a few. Because of the high level of physical activity and life in a close group situation away from home, the applicant is required to be physically fit and emotionally well. Colvig Silver Camps requests your assistance in making sure that both the applicant, their fellow campers and their college age counselors would be well served by his/her participation in this type of program. Thank you in advance for your comments and for assisting us in ensuring a quality experience for each participant. Your comments will be kept confidential. Please complete this form and return it in the enclosed envelope no later than _____.
